

# PARENTING IS TOUGH

**STEP 1** - Totally set aside your world and the way you think for a moment.

**STEP 2** - Vicariously envision yourself in their life.

**STEP 3** - Ask yourself... what would connect with me right here?

**TIP 1** - Don't allow your children's behavior to determine yours.

**TIP 2** - Allow your children to be God led not parent manipulated as they move into their career path

**PROVERBS 22:6** Train up a child in the way he should go, And when he is old he will not depart from it.

**TIP 3** - The world measures our children by their accomplishments. God measures them by their holiness

**TIP 4** - Teach your children that true greatness come through humility.

**Philippians 2:5-8** - Your attitude should be that same as that of Christ Jesus: Who being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself and became obedient to death-even death on a cross!

**TIP 5** - Understand what scripture means when it says your child is a treasure.
